Dear Sir:

In reply to your favour of May 15th, your Indian Peace Medal is considered a very good medal as but comparatively few of these were issued. The medal, as you realize, was a stock medal and has stamped on it the Treaty numbers from one to six, and dates from 1872 to 1877. I do not know what this Number 6 Treaty was for.

I am sorry that I cannot give you more definite information.

Very truly yours,

Curator
